

YOU'RE INVITED

EASTSIDE STORY CALLING EVERYONE AT PRIORY COURT...

**Wednesday
11th December
5:00PM**

**Priory Court
Community
Centre,
E17 5NB**

You are invited to a special community screening of a television documentary that has been made about Eastside Story, a major creative project for young people which has been part of Waltham Forest Borough of Culture 2019 and several young people from Priory Court Estate took part in. Everyone in the community is invited to attend (although as there is some swearing it may not be suitable for children under the age of 12).

All of the young people that helped to make Eastside Story such a huge success have been invited to take part on the night and share the enthusiasm and creativity that they produced as part of the project.
